

# Coming Soon to Washington County Rabies Clinics: Online Pre-Registration\*!

\* If you do not Pre-Register, you can still attend the clinic and register there.

Click through the following slides  
to see a Demo (screenshots) of  
all of the steps to pre-register.

Online Pre-Registration is going live on September 12, 2019  
for the October 5<sup>th</sup> Rabies Clinic

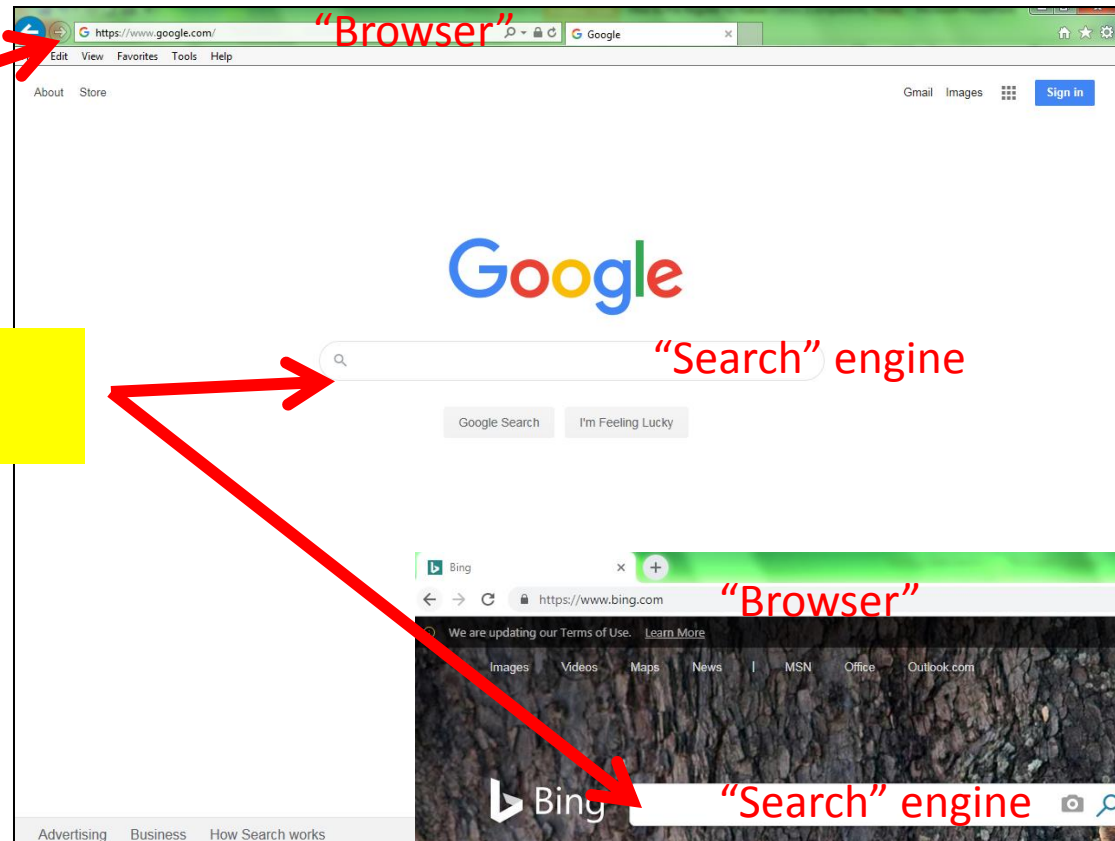

Type <http://www.health.ny.gov/go2clinic/58>

Into the **“Browser”** at the very top of your screen.

(This should bring you to the “Washington County Events-Training only” page as seen on **slide 4**)

“Browser” is the very top line on your screen.

A “Search” engine is below the browser.

If you used the “Search” engine, see “Search” engine directions on next slide.

## “Search” engine directions:

If you do use the “Search” engine, you will get a list of sites instead of going directly to the page. Choose the “Welcome to New York State Department of Health Online Event...”. It will look like this:

After you Click “welcome to...” you will be directed to the Welcome page and you will have to click “Washington “ and then click “next.” This will bring you to the screen on slide 4.

The screenshot shows the registration page with the following content:

- Department of Health logo and navigation menu (Services, News, Government, Local).
- Page title: "Welcome to the New York State Department of Health On-line EVENT Registration and Scheduling System".
- Text: "This web site provides a secure way to register on-line for local events that offer countermeasures for diseases and other health-related threats."
- Section: "Registering for an event is easy!".
- Text: "To begin, please have the following information available:" followed by a list of requirements (E-mail address, Name, address and contact phone number, Name and phone number of someone to contact in an emergency, Name, address and phone number of your doctor).
- Section: "Then follow these steps to register:" followed by a 6-step list.
- Text: "You will receive an e-mail message with your appointment information after you register. The ticket you print and the e-mail message will include a phone number that you can call if you need to reschedule or cancel your appointment."
- Text: "To begin, select the county where you would like to attend an event from the list below and click on the 'Next' button."
- Note: "If you do not see the county you want on the list, please contact the local health department to find out about events in that county. Go to <http://www.health.ny.gov/nysdoh/ihu/map.htm> to view a map of all counties in New York and to get the contact information for local health departments."
- Radio button list of counties: Chenango, Essex, Livingston, Schenectady, Schoharie, St. Lawrence, Steuben, Sullivan, Tioga, Tompkins, and Washington (selected).
- "Next" button.
- Footer: "Revised: April 2018 | [Disclaimer](#) | [Privacy Policy](#) | [Accessibility](#)" and navigation links for Agencies, App Directory, Counties, Events, Programs, and Services.

Annotations on the screenshot:

- A red arrow points from a yellow box labeled "Click 'Washington'" to the selected radio button for Washington.
- A red arrow points from a yellow box labeled "Click 'Next'" to the "Next" button.
