

# No Cost Clean and Tune

Through the Home Energy Assistance Program, New Yorkers may be eligible to have their heating equipment cleaned and tuned at no cost.

**Improved safety  
and efficiency**

— which means —

**Lower heating costs**

— and greater —

**Peace of mind**

Your clean and tune may include a battery-powered carbon monoxide (CO) alarm to make sure your furnace and other fuel-burning appliances are not producing dangerous CO gas. For more information, visit [otda.ny.gov/programs/heap/#tune-benefit](https://otda.ny.gov/programs/heap/#tune-benefit).

Contact your local department of social services to apply: [otda.ny.gov/programs/heap/contacts](https://otda.ny.gov/programs/heap/contacts)
