

The Washington County Local Development Corporation (WCLDC) is a not-for-profit corporation that was formed in 1985 to administer the county’s economic development programs. The goals of the organization are to create and retain jobs, strengthen the economy, and to increase the taxable value of real property.

The Mission of the Washington County Local Development Corporation, a not-for-profit entity, is to stimulate economic development activities that encourage investment in Washington County, NY. The WCLDC will serve as a resource to retain and increase employment opportunities, encourage the expansion and growth of existing businesses, and attract new businesses to Washington County, NY. Fostering employment opportunities for Washington County residents while expanding and increasing the tax base are key objectives of the WCLDC. The WCLDC will seek to further its mission through the provisions of low interest loans to businesses.
