

WASHINGTON COUNTY PUBLIC HEALTH SERVICE

415 Lower Main Street, Hudson Falls, New York 12839-2650

(518) 746-2400

Fax: (518) 746-2461

If your animal has been vaccinated before, you should have a rabies certificate as proof of vaccination. After their first year, vaccination is done every 3 years.

We must receive proof of previous vaccination to mark the new Rabies Certificate to a 3 year certificate.

If we do not receive proof of previous vaccination, the new Rabies Certificates are marked as a 1 year certificate.

You can have your Rabies Certificate updated to a 3 year certificate, by sending proper documents to Washington County Public Health.

Contact the Vet or the agency where the pet was vaccinated before to get a copy of the record. (Your Dog License from the Town Clerk is okay if it shows when the last rabies vaccination was given.)

Bring or fax these documents to our office at the number and address below:

Fax:
