

The New York State Department of Health has released a Consumer Telehealth Survey in partnership with Office of Addiction Services and Supports, Office of Mental Health, Office of Children and Family Services, and the Office for People with Developmental Disabilities. All New Yorkers are encouraged to complete the survey which will assist with improving telehealth policy for the State. **To access the survey, visit the NYS DOH “Telehealth Consumer Survey” web page, located at: https://www.health.ny.gov/health_care/telehealth_survey/.** **The survey will close on July 1, 2022.**
