

CONKLING CENTER ICE MELT PROGRAM

Each winter the Conkling Center provides ice melt to the local Senior Centers for distribution to individuals 55 years of age and older. If you need ice melt during the winter months, contact your local senior center in Glens Falls, Hudson Falls, Moreau, or Queensbury. We have a limited supply at the Washington County Office for Aging and Disabilities Resource Center for distribution as well. Call 518-746-2420 for more information.
