

Hartford Senior Citizens

“Highlighting the Activities of April 2023”

We met on April 11th the second Tuesday of the month and we were visited by Pam Bowe, a representative from Centers for Health Care in our areas who oversees the different Nursing Homes in Washington County. The presentation was very informative and interesting.

A Basket Raffle was held on April 22nd at the Hartford Firehouse for the “Haynes House of Hope”. Members from our club contributed many scratch-off Lottery tickets for this benefit. It was a wonderful turn-out raising a sizeable amount for a great cause. We also have created a second basket of scratch-off Lottery tickets which was presented to the Hartford Auxiliary for their Basket Raffle on Sunday, May 14th at the Harford Firehouse.

On April 13th many of our club members enjoyed a get together for breakfast at the Granville Diner.

On April 20th members of our club enjoyed the Washington County Spring Luncheon held at the American Legion in Hudson Falls. Our member Gary Burch won one of the gifts, which was a very pretty, Pansy bouquet.

Tuesday April 25th, which was our meeting day, we all enjoyed a “Pop-up” Meal put on by Washington County Nutrition Program. The meal was very good.

We are always glad to welcome new members to our club. We meet on the 2nd and 4th Tuesday of each month at the Harford Firehouse at 12:30 pm.
